Creating an Integrated Redemption Flow

Once your account is linked, we can create an integrated MINDBODY redemption flow for your Nift Gift.

Top 5 Benefits:

1. Streamlined experience removes the need for staff to be involved in the redemption process.
2. Nift automatically signs up the customer and comps the sale of the gift value in your MINDBODY account.
3. Your new customer immediately becomes part of your database.
4. Customers enjoy a simplified user experience when redeeming your gift.
5. Our automated process increases redemption rates.

Start by Making Your Nift Gift

1. Go to **create** a new gift .A message will appear at the top of the page asking if you, "Want to link this gift to MINDBODY?"
2. Click on the **drop down menu** to choose one of your existing products from your MINDBODY account. This is the product that you want to link as your Nift gift.
3. If necessary, update the Nift Gift image, title and description.
4. Tap on **SAVE MY GIFT**, and you're all set.

How are MINDBODY gifts redeemed?

When a new customer selects your gift, they'll receive a mobile gift certificate. Just in case, we'll send a copy of the gift certificate to the email address they provided.

1. To use their gift, tap the button that says, **CLICK TO REDEEM**
2. A popup will appear explaining the redemption process. To continue, your customer will click the **GOT IT** button.
3. Your customer will then be forwarded to a page where they can create a new MINDBODY account linked with your business.
4. New customers will then fill in the required fields*
**Nift will automatically show the required fields that you've already configured in your MINDBODY account for new customer signup.*
5. Once the customer completes the form and clicks the **REGISTER** button, Nift will create a new customer in your MINDBODY account and complete the sale of the gift in the system.
6. The customer will see a **SUCCESS** popup with a link to your MINDBODY online site. The gift is now successfully redeemed.
