

3 Steps to Redeem a Nift Gift Certificate

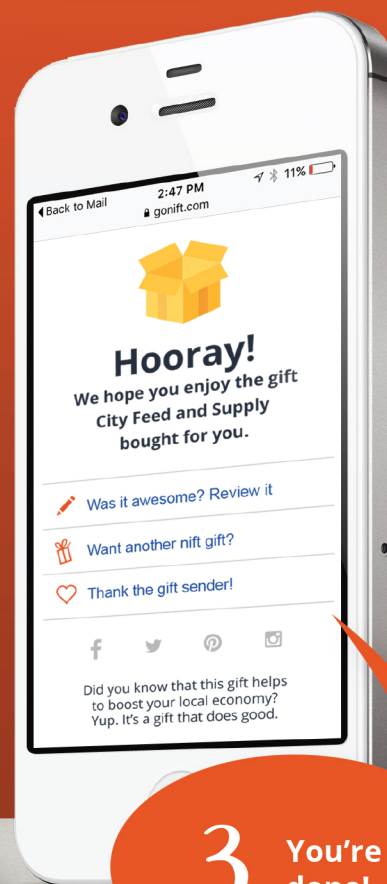

Congrats! A local customer has come into your store to pick up their nift gift. That means you've just made a sale, and it's time to complete the transaction right on their smart phone.

1. Click redeem in store.

2. **nift** and click complete transaction.

3. You're done!

What if someone comes in with a paper certificate?

Complete the transaction by scanning the **QR code** with your own smartphone.

You can also log in online at **gonift.com**, click the yellow **REDEEM CERTIFICATE** button, find the customer's name, and click the blue **REDEEM** button.

Redeem Gift Certificates		
Congrats! A new customer has come into your store to pick up their Nift gift. That means you've just made a sale, and will get paid the full gift price. To receive these funds and stop sending gift reminder emails to this new customer, please find their name in the list below and click REDEEM.
